

Band Information for Parents and Students in Grades 3-6  
“Strike Up the Band”

Band will meet on Thursdays from 2:40 p.m. to 3:45 p.m. However, if at any time your child has to leave early please let me know so I can plan accordingly. Band will start on Thursday, September 12th for returning members. Beginners will start September 19th. Band is a full school year program. We will have two concerts, Christmas on the evening of our annual pageant and in the spring.

Students may choose from the following instruments: trumpet, baritone horn, trombone, electric bass, clarinet, alto saxophone, flute, drum or bells (glockenspiel). Please contact me before renting if your child is interested in playing the baritone horn or bells, I have some of these available for rent at a very reasonable rate. In addition to their instrument, all students will need a **Sound Innovations Band Method Book 1**. Beginning drummers will need the band book, a drum practice pad and a pair of drumsticks for the first class.

(Please consider having your child take private music lessons on the band instrument of their choice over the summer to jump start their success in band. Feel free to contact me for teacher recommendations. I am a drums & percussion teacher and have summer availability for lessons.)

Please contact these music stores for rental details:  
Music & Arts @ 623-0153 Manchester, NH and O’Leary’s Music @ 505-4577 Derry, NH.

Please submit the band registration form along with the \$250 band fee before the first class.

**Please send me an email letting me know that your child will be in band so that I plan for our first classes.**

Please contact me directly with any questions that you may have.

Shirley Langlois,

Band Director
