

June, 2022

Dear Parents,

Welcome to Third Grade! I am pleased to welcome your child into my class this fall! Our third grade year will be filled with adventure, learning, and most of all- fun!

A few perks to look forward to next fall are outdoor learning, lots of hands-on activities, class-room team-building and Lectio Divina; quiet & prayerful time for reflection. Third graders also get to run our St. Francis School Store, hatch live chickens and complete servant-leadership projects. There is a lot of fun & learning on the way so relax and rest up this summer!

This summer, I would love for my students to keep reading. I hope to build their love of literature, and I can't wait to hear of the adventures they have taken through her summer-reading book! Please have them choose a fictional book that is appropriate to their reading level. When they have completed the book, I would like for them to fill out the attached "Cheeseburger Book Report". Additionally, please have them brush up on math facts to help them recall things more easily in the fall. If this should happen to be misplaced, it can be found on our class website!

Should you have any questions, please don't hesitate to reach out to me. My email address is: negronc@stfrancisschoolnh.org.

I am wishing you a fun-filled summer and look forward to seeing you in the fall!

Sincerely,

Mrs. Negron
