Welcome to First Grade!

Dear Parents,

It is my pleasure to welcome you and your child to the first grade! This will be a wonderful year full of learning and fun, not to mention an incredible year of growth and change. You will be amazed as you watch your child bloom as a friend, reader, writer, mathematician, scientist, thinker, and so much more.

I am looking forward to working with you and your child this year. I am excited by the anticipation of the countless milestones we will reach as a class and those your child will reach as an individual.

Before school starts, please practice reading and writing your first and last name. Review your math skills. Counting by ones, fives, and tens. Read to someone special. Try tying your shoes on your own. I hope you have a fantastic summer! I can not wait to hear all about it.

I have included a school supply list and a list of summer reading suggestions.
